Recommended Summer 2013 Online Activities for TLC Students:

The Learning Center has student licenses and subscriptions to the following educational sites. **If you need access to any of these sites, please email Susan White, the Media Coordinator, at susan@naturallygrownkids.org .**

- Reading: <http://www.raz-kids.com/> Recommended for K-5 students in need of audio books to spur their motivation/interest in reading.
- Math: http://www.mangahigh.com/en_us/myschool/tlc1charterschool?localeset=en_us only **rising 5th through 8th grade students** have been assigned accounts/have access to this site. Let Susan White or your child's math teacher from 2012-2013 (Chris Conroy, Cheryl Catuto or Chris Crayton) know if you need access.
- Multiple subjects: **rising 4th and 5th grade students** at TLC have access to <http://www.brainchild.com/>. This site provides excellent tutorials and assignments in reading, math and science. Let Susan White know if you have a child who is a rising 4th or 5th grader and don't know their account info.
